THURSDAY EVENING, JULY 16.

THE PICTURES AT THE CAPITOL.-The eight paintings in the panels of the rotunda of the Capitol are to be retouched and revarnished. The "Landing of Columbus" was taken out of its frame yesterday preparatory to removal to the hall in the Capitol set apart for their accommodation while in process of rejuvenation. The canvas was found to be in a very bad way, and the face of the painting is cracked. The paintings to be treated are the "Landing of Columbus," the "Baptism of Pocahontas, the "Embarkation of the Pilgrims," the "Discovery of the Mississippi," and the four Trumbull paintings, viz, "Signing the Declaration of Independence," "Surrender of Burgoyne," "Surrender of Cornwallis," and "Washington Resigning his Commission." Congress, on the unanimous recommendation of the Joint Committee on the Library, have purchased Moran's great painting, the "Chasm of the Colorado." By direction of the same committee the spacious hall on the second floor of the Capitol, and looking out upon the eastern portico of the Senate extension, has been set apart for its accommodation, together with the companion painting, the "Grand Canon of the Yellowstone," by the same artist, and and now in the national statuary hall. The Joint Committee on the Library has purchased the original Gilbert Stuart painting of Thomas Jefferson. It is now being framed, and will be placed in the gallery of Presidents which now adorns the parlors of the President's house.

Conservative Congressional Convention for the Lighth District.

In accordance with the recommendation of the State Committee of the Conservative Party, we hereby give notice that a Convention of the Conservative Party of the Eighth Congressional District will be held in Alexandria, on the 26th day of August, 1874, for the purpose of nominating a candidate for Congress from this Dis-"that each township of a county and ward of a city shall be entitled to one delegate for each one hundred Conservative voters and one for fractions over fifty." We, therefore, earnestly recommend to the Superintendents of the several counties in this Congressional District to take the proper steps under the plan of organization for the appointment of delegates from their respective counties, and in case it be thought expedient to appoint the delegates by townships or wards, we then recommend to the County Superintendents to call the meetings for the same day and hour in each township and ward.
